AMENDMENT

Sir:

Responsive to the Office Action mailed June 7, 2000, please amend the application as follows. A Petition for an Extension of Time for three months, up to and including December 7, 2000, and the appropriate fee, are enclosed with this response.

In the Claims

- CG
1. (three times amended) A method for selectively delivering molecules to the nucleus of [endothelium] endothelial cells of the large vessels, comprising
administering a conjugate of an agent binding selectively to endothelial protein C receptor (EPCR) and the molecule to be delivered to large vessel endothelial cells, wherein the molecules are delivered to the nucleus of the large vessel endothelial cells [where they are active].
 5. (three times amended) The method of claim 1 wherein the molecule to be delivered is a nucleic acid molecule and the nucleic acid molecule is a gene or cDNA under the control of a promoter expressed in the nucleus of an endothelial cell and the nucleic acid molecule is
